

Council Board and Committee Reports

Deacons (Charlene)

- Deacons met on July 27 for an informal picnic gathering to continue discussions about Parish Care. Discussions will resume in September about this important issue.
- We are still looking for ways to encourage 'small gatherings' within the congregation so that Rev Kev has greater opportunity to meet our church family.
- A meeting will be held soon with Rev Kev, Ellen Bradley, Laura Bond and Bruce Lyman to initiate the review of church membership and to develop a system that collects data more efficiently.
- We have begun discussions about the Community Framework as it relates to the Deacons and our roles and responsibilities and will report more as it develops.
