

### **Board of Trustees Report to Council – May, 2022**

- 1) Painting – Work has commenced on painting of the church. Estimated duration of project is 3- weeks (weather permitting). For the safety reasons, the backyard is closed, as is the play area and labyrinth.
- 2) Daycare - We are in conversation with Tiny Forest Daycare for the rental of the nursery. The proposed daycare will provide care for 8 to 12 toddlers. The daycare will be self-contained within the nursery area, utilizing the entry door in the rear of the church for access. The daycare will operate on weekdays and the nursery will continue to be available for use during worship and other weekend activities. Considerations must be given for an outdoor play area. The small fenced in area adjacent to the nursery is the best option for the safety of the children. We are seeking alternatives to the raised beds that currently reside in this area.
- 3) Re-keying of the church – At the request of the Woodstock Fire Marshal, locks will be fitted with a master key. Anyone who has interior keys for the church should contact Suzanne Cimoichowski for a new key.
- 4) Tech Team- The newly established “Tech Team” is now part of the “Property Management Team”. The members are Bruce Staehle and Rick Singh. Already, they have made great progress in improving our IT network.

Submitted on behalf of the Trustees,

Charles Bottieri
