

FCCW Deacon's Report

July 12, 2022

The Deacons are preparing for the installation of Rev. Dr. Kevin Downer as our pastor on Sunday, October 23, 2022. This will coordinate with the fall worship series: "Called to Life". This series focuses on our call to ministry as partners in our community.

The installation will take place in the afternoon. Many people from the SNEUCC Conference, as well as from our local community will be present. We will have a short alternative morning worship that day of prayer and music.

We hope to have many present and ask members of the Board of Outreach to help invite members of the community for this event. Further publicity will also be needed. We ask council members and congregants to participate in the planning of this program.

The Deacons will host it and plan a reception to follow.
