Interreligious Eco-Justice Network (IREJN)	November 6, 2022	\$200.00
		\$3,992.20

- *2023 Ministry Planning and Budgeting* –Committee members at meeting came up with a few issues that we might want to put to the forefront in 2023:
 - *Climate Change / Ecojustice*
 - *Refugee Resettlement*Currently seeking input from additional Outreach members who could not make the November meeting
- *Ukrainian Students at Woodstock Academy* – Still attempting to contact Woodstock Academy about the idea of a “Teen Coffee House” in the winter. The program would allow the community to support Ukrainian students attending WA, celebrate Ukrainian culture with food, decorations, etc . . . and allow students an opportunity to be together for time of sharing and fun. Leslie is willing to drive students on the WA bus.
