

REPORT OF THE STEWARDSHIP COMMITTEE

November 7, 2022

Sunday, November 6, 2022 was Pledge Sunday and at that time 30 pledges had been received and were blessed.

The total amount pledged with these 30 was \$100,371.82.

Out of the 30:

- 4 represented first time pledges (or in 1 case after significant amount of years)
- 12 pledges were in the same amount as the previous pledge year
- 11 pledges represented increases from the previous year
- 3 pledges were in reduced amounts from the previous year

Based on the list to whom pledge packets were sent, the team believes that there will be 10 to 12 additional pledges yet to come in for this 2023 year.

Respectfully submitted,
