

2024 September - Facility Report

- Energy Efficiency
 - LED light tubes identified
 - Initial plans to convert kitchen lights, beginning of October
 - Day care, library and dining hall to follow
- Plea for volunteers - Recycling
 - The Moylans have volunteered to bring the bin to front of church and return on an ongoing basis. There may be times when they will not be available, so we look for occasional volunteers. Thank you! Ginny & Bill!
- .Water Well
 - Well has been drilled, 24 hr.yield tested and water quality tested - no significant contaminants.
 - Trench work planned for 2nd/3rd week of Sept.
 - Well pump installation, electrical and plumbing to follow
 - Outlook is to have new well fully installed and approved by mid Oct.
- Kitchen Refrigerator
 - The defunct Avantco refrigerator has been removed from the kitchen. The new CK refrigerator and freezer are now in its place.
