# First Congregational Church of Woodstock Operating Fund Financial Comments – Year to April 30, 2025

## **Summary**

• The budget report continues to show we are trending significantly better than budget, due mostly to unfilled budgeted positions and timing differences. Operating net revenues of \$64.1k were very slightly behind budget (budget: \$65.0k); actual net expenses of \$54.1k were \$10.9k below budget (budget: \$65.0k). Net operating income was \$10.0k; budget was zero (no income/no loss).

# **Differences vs. budget:**

- Pledges remain on target.
- Once again, there were no expenses for two budgeted positions: Children and Family Coordinator, and Communications Coordinator. Together, these two items represented a savings of \$7,180 vs. budget. Also, there was \$2,000 budgeted for accompanist that was not spent. Together, these represent 91% of the total positive budget variance.
- The Facilities accounts continue to have a positive variance (total \$4,156), largely due to maintenance and repair accounts, which is likely to be resolved later in the year as the unpredictable timing of these expenses is incurred.
- There were no other material differences vs. budget.

### **Other Items**

- We received a \$5,000 bequest from the Roger and Florence Wiggans trust. We greatly appreciate the gift and encourage all congregants to consider leaving a legacy to the church to help support future ministry. Please contact the Treasurer or Governing Board Liaison Finance (Suzanne Cimochowski) if you would like more information on how to do this.
- Two CDs totaling \$325,000 have already matured, and must be replaced. Two more totaling \$45,000 will mature in the next four weeks. The finance team will discuss investment strategy at the May 7 team meeting. (The budget calls for \$16,000 in unrestricted investment income for the year, and assumes a 4.1% return on investments.)

- (1) Prepaid pledges are recognized as income over the period to which they apply. Remaining prepaid pledges are shown on the Statement of Financial Position as Deferred Income Prepaid Pledges.
- (2) Difference is largely due to open position.
- (3) Appears to be a timing difference that will likely resolve later in the year, not a permanent saving.

#### **Notes:**

Rounding differences may arise due to cents not shown. Operating income & expenses exclude Congregation-Designated, New Century Fund and Donor-Restricted Fund items. These are reported separately.

- (1) Prepaid pledges are recognized as income over the period to which they apply. Remaining prepaid pledges are shown on the Statement of Financial Position as Deferred Income Prepaid Pledges.
- (2) Difference is due to open position.
- (3) Appears to be a timing difference that will likely resolve later in the year, not a permanent saving.
